*Hello,*

*I would like to introduce you to the following company, GM Enterprises at 114 Ladd Hill Rd, Belmont, NH 03220-3018.*

*Gene Morrissette, owner, has an excellent operation of helping people to earn income. He is doing a good job for me and I'm extremely pleased with the company.*

*In order to secure more members without the new members paying out of their pocket monthly for membership, Gene started, November 1st, 2006 a plan called The Advancement System, TAS for short. While securing new members with this plan, we will all be earning monies, (including you) thru the Advancement System. You will not regret joining and paying a one time fee of \$25 that keeps you in the plan over and over again.*

*All that is required is to pay a one time cost of \$25 and secure (sponsor) 2 new members...that's it...you will get paid for the first 2 phases without sponsoring, if you're lucky enough to have overspill...but phase 3 is excellent income...so commit yourself to sponsor 2. You will receive 30 leads and Camera Ready copies of this promotional material to help you get started.*

*Thanks,*

## THE ADVANCEMENT SYSTEM (TAS)

The TAS Membership Project consists of ONE program with three phases. There is a one time membership fee of \$25, which is all a member will ever have to pay out-of-pocket. Your product is 30 mailing leads for the \$25 fee.

Purpose of the TAS Membership Project is to advance members. Each member is required to sponsor at least 2 new members and must do so to qualify for the Phase III earnings. By introducing **two new members**, a member is qualified for all three phases. There is no additional out-of-pocket expense except for the expense of sponsoring your two people.

### PHASE I - \$20 Each

All members are placed in the 2x4 matrix as received, however you are required to sponsor two members to be eligible for the Phase III benefits. No recruiting is necessary for being paid on the first two phases, however it is unlikely your upline would recruit enough people under you for you to cycle and get paid.

Recruiting and sponsoring people to this program will be very rewarding. Every time your sponsored people cycle you receive a \$20.00 check. It should not be difficult to sponsor two people or more for a one time entry fee of \$25.00. You can use our mailing service if you prefer not to do it yourself.

After you have completed Phase III you are given three more entries back into phase one.
