Fellow **"Snail-Mail"** Networkers,

A Lottery Jackpot winner is the fruit of millions of big-time losers. With Slot Machines it is the same.

Guess what, networking has similar grueling statistics. Ask yourself and others - are you rich by now from all those programs you had joined?

You are poorer and your reputation with spouse, family and friends is worse than ever. They don't trust you anymore and they think you're nuts for doing networking.

As professional networker it is my life's ambition to construct a program that promises total success.

New Way Profits IS the fruit of that ambition.

2008 was the year of leapfrog improvements for Internet Income Opportunities. Top program geeks developed incredibly effective methods to generate monster incomes.

Sadly though, those without computers or Internet stamina are missing out big-time on the massive diamond mines available for everyone.

I created a System and a Method so anyone can make monster cash. AND do it with NO risk, minimal effort and most of all, the simplest possible way. **Here Is How...**

I Selected and Arranged three Internet cash cyclers and one "Cash Perpetuator" into one simple yet powerful "Cash-Chain-Reactor." Injection of \$60 one-time into the first cycler generates a never-ending flow of \$100 bills. While that goes on, a one-time input of \$120 (from the first cycler) into the second cycler creates a weekly flow of \$600. Cash generated from the second cycler initiates the third cycler to create a DAILY flow of \$540. **THREE CYCLERS** simultaneously working to send super money to affiliates. But that's not all yet - the "Cash Perpetuator" will create \$3,500 every day.

All Anyone Has to Do Is JOIN NWP for FREE and then just send this one-page messenger to other networkers. That is really it. No computers or Internet connection necessary.

Sending \$15 to Chesapeake Publishing for printing, packaging and postage does not negate that New Way Profits IS indeed FREE. If sending the \$15 is a problem for you, then hold onto your money.

If you want to benefit from a fantastic "snail-mail" cash generating revolution - this piece of paper is your key. Turn it and fill out the application/order form and this time get started the **New Way**.

I am personally involved in NWP and I strongly endorse this opportunity as the greatest wealth creator of all times.

Sincerely, *WERNER REINHOLD*

My Special Note to You!

I ordered the "Wealth Creation Pack." - I confess I also was suspicious - had my doubts and questions.

But fortunately I thought: "What the heck - \$15 to satisfy my curiosity - maybe it's money well spent."

Guess what - now you're getting this from me because...

...I could not resist the power of the Wealth Creation Pack,
...I'm 1000% convinced NWP is the best moneymaker ever,
...the FREE setup was exactly as NWP promised, no tricks,
...and turning \$60 into \$35K a month is an absolute reality,
...all anyone has to do is just send this persuasive flyer.

I am on a mission to change peoples' lives. Join me in that mission and we'll all be extremely rich from doing it.

Yours Truly, *JAMES*
