

# INTRODUCING THE ONLY PROGRAM WHERE YOU PAY AFTER JOINING - DO NOT KEEP MAILING - FEEL SECURE

Times are tough, and everyone could use extra money. There are so many mail order programs out there making it hard for people to respond to every promising program.

**We make it impossible for you to pass on this plan! Keep reading... you're going to love this!**

There is a universal law that says what you give out in life will be multiplied by the very nature in which you give it. If you want more love, give more love. If you want more money then find joy in giving money to others. Give to other people, and you will receive. It will be poured into your hands - more than you can hold. The way you give to other people is the way God will give to you. The secret of wealth is helping others get what they want. What you want for yourself, want more for others. "To accomplish great things, we must not only act, but also dream; not only plan, but also believe."-Anatone France

**This plan is successful because it revolves around people joining together, not money!**

**HOW IT WORKS:** Join Phase-I by sending in this form. **DO NOT SEND ANY MONEY.** After receiving your camera-ready invitation, invite at least 3 people to join. Once 3 people are signed up under you, send in your \$100 gift, and your work is done. The beauty of this plan is that when you send in your gift of \$100, someone is already signed up to send YOU a gift of \$100 dollars back! Now here is where the gifts start pouring in. Best of all, you are no longer mailing; yet your \$100 dollars keep doubling.

**LET ME EXPLAIN!** The 1<sup>st</sup> two people you invited send their \$100 gift to your inviter; the 3<sup>rd</sup> person you invited TAKES OVER FOR YOU beginning your 1<sup>st</sup> stream of gifts. They send you \$100 and their 1<sup>st</sup> two invitees' gifts (\$200). That's a total of \$300 dollars in your pocket so far, and all you did was invite 3 people! Those 2 new members also send you their 1<sup>st</sup> two invitees' gifts (\$400). That's a total of \$700 dollars in your pocket, and you didn't even mail to the people sending you money! Now those 4 new members also send you their 1<sup>st</sup> two invitees' gifts (\$800) for a total of \$1,500, and so on, to *INFINITY!*

**The 1<sup>st</sup> two people NEVER stop getting passed to YOU. Your \$100 dollars keep DOUBLING long after you have stopped mailing, and all you did was invite 3 people.**

You are not limited to just 3 either. People will quickly pour in under you since they do not have to give this plan a second thought before signing up! Each new person begins a new stream of gifts for YOU. Doubling only 7 times generates over \$25,000. Our members are committed to invite just 3 people so they can begin receiving gifts from their 3<sup>rd</sup> invitee. We want these gifts to pour in for you, but in order for this to happen, you must give it a shot. Remember, you do not pay until someone is signed up to send you a \$100 dollar gift.

Phase-II and Phase-III is when the system really kicks in! This is where your downline all start sending you \$500 gifts in Phase-II, and \$1000 gifts in Phase-III; and all you have to do is join! **NO MAILING is required in these phases; your downline will automatically follow you** (or miss out on a lot of gifts from their downlines)! Only 50 people in your stream of gifts generate \$25,000 in Phase-II. The same 50 people generate \$50,000 in Phase-III. Imagine the possibilities when your downline has over 100, 200, or even 300 people in them. It never stops growing! What if you have more than one downline!!! These two phases pour in quickly since your downline is already established! Unlike other systems that require endless mailing and thousands of people to bring in a decent cash flow every month, this system only requires a few people that your downline gets for you! You don't even do the work!!! Just 20 people added to your downline every month would bring you a nice \$2,000.00 dollars every month!

\*The above amounts are only based on one stream of gifts. Each new stream can generate the same amounts.
