HERE'S HOW OUR SPECIAL EMAIL CO-OP WORKS...

As the word "Co-Op" implies - a few dealers share the same email

▶ **THIS KEEPS YOUR (and our) COST WAY DOWN** while allowing you to sit back and enjoy the rewards of this Super Massive Email Circulation.

Your circular, and up to only five other non-conflicting circulars are included in each co-op email. Each circular having its own descriptive remarks and hot link that opens the actual circular. Circulars open exactly as they appear on paper.

~ It's kinda like a mini 'Email Big Mail', if you will ~

The same professional, premium quality, Opportunity Seeker/Buyers are used that we use on our more costly individual solo-email service. **SAVING YOU MONEY!**

▶ **YOU RECEIVE...** A downloaded print-out of the actual email (NO Computer needed)!

▶ Print-outs are computer "Date & Time Stamped" so you KNOW what's going on.

▶ There is never a concern about SPAM! We even place a reminder on each individual email reminding them they signed up and agreed to receive the Opportunity Emailings.

▶ **Email delivery is ONLY to those having signed on for, and want, GOOD Opportunity Offers...** YOU just might have exactly what they are looking for!! **YOU NEED TO GET IT THERE!**

Sharing an email with a few other dealers does not take away from your offer... and we keep the count way down to make sure your circular gets its fair share of attention. EMAIL: kirk@jkfile.com
